Yoni Egg Sets (30, 40 & 50mm)

Was \$16.50 Now \$14.95 (set of 3)

Yoni in Sanskrit means "source" or "place of origin". It is typically associated with the Hindu Goddess Shakti, consort of the God Shiva. The yoni is the creative power of the universe and is the ritual symbol of the sacred feminine. Yoni eggs have been used for centuries in the East to facilitate feminine health, pleasure and healing. They are also said to be helpful with energetic cleansing and emotional balancing. No chemicals were used in the production of these products.
