

Dear Customers,

Amidst these uncertain times as the world is dealing with the outbreak of COVID-19 (coronavirus), Kheops would like to do our part by taking some preventative actions to keep our customers and employees safe.

We would therefore like to take a moment and let you know how we are planning on dealing with the COVID-19 outbreak.

As of now, Kheops is still open and fulfilling orders and we want to assure you that we will continue to do our best for our valued Kheops customers.

Our Account Executives are home for their well-being and security and that of their customers. As always, please reach out to them to place your orders or with any questions.

We are being extra vigilant with maintaining a sanitary environment in our facility and ensuring our staff have what they need to stay healthy. In addition to sanitizing surfaces regularly throughout the day and encouraging good hand washing practices (a great practice all the time, not just during an outbreak!), we are providing our staff with masks and gloves for anyone who wants a little extra protection.

Taking care of our employees has always been a priority for Kheops. Our staff members are provided with comprehensive medical insurance and paid time off. We are not expecting extended interruptions, but we are preparing for the possibility.

We understand you are facing unique challenges right now. In order to help in this difficult time, we would like to offer **Free Shipping** on all Kheops & BLJ orders over \$200.00 from March 18th through April 18th. Please use the coupon code: **WORRYFREE** when you place your order. **(Credit card, PayPal and SmartPay Electronic Bank Transfer orders only & cannot be used on post-dated shipments)**

We appreciate your understanding as this situation evolves. We must all do our part to mitigate the spread of this disease and we sincerely hope everyone will be able to resume their normal lives soon.

We are monitoring the situation, but still processing and shipping orders and if at any time this changes, we will keep you posted through emails, website and our Facebook page.
